

Can You Read People's Emotions?

For each photo, choose the word that best describes what you think the person depicted is thinking or feeling.

Playful	Comforting
Irritated	Bored

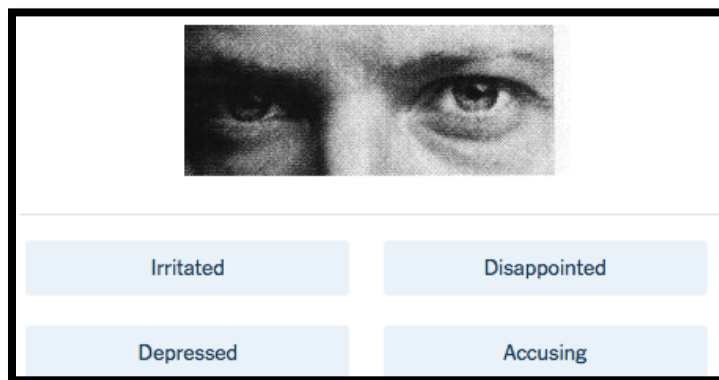

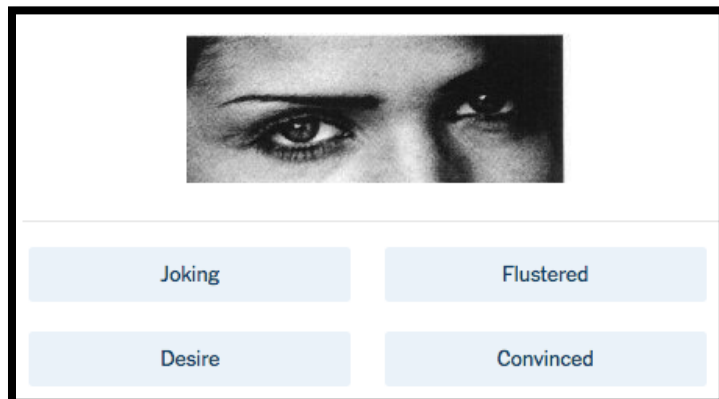

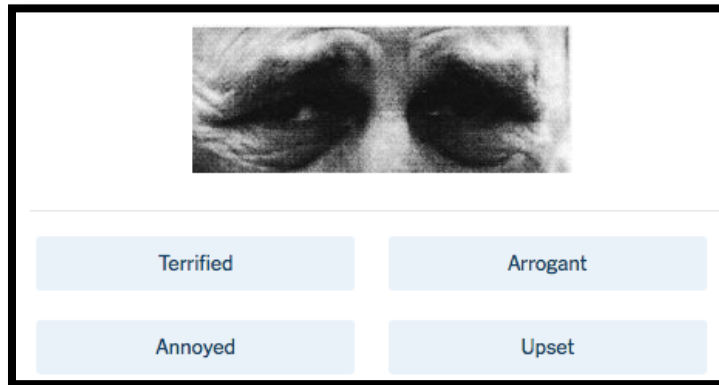

Irritated	Sarcastic
Worried	Friendly

Joking	Insisting
Amused	Relaxed

Discussion Questions:

- Which ways of knowing are primarily involved in determining your answers?
- Are you more likely to be correct if you respond to these questions intuitively or through careful deliberation?
- If you do well on this test, does that mean that you are good at reading people's emotions in a meaningful, real-life way?

Answers: Playful, Worried, Insisting, Upset, Desire, Accusing
